## Experience

### Freelance App Developer

Fiverr & Remote Clients Jan 2021 – Present

Built and deployed Flutter apps with Firebase and Laravel backends, focusing on seamless UI/UX, API integration, and reliable performance for global clients.

### Mobile App Developer – NSB Solutions

Islamabad, Pakistan Jun 2025– Sep 2025

Worked on Flutter-based mobile applications, integrating Firebase services and REST APIs for real-time functionality. Focused on app performance, UI responsiveness, and version control using Git/GitHub, while collaborating in agile sprints with the development team.

### Full Stack Developer (Laravel & Flutter)

Comsats University Sahiwal Jan 2022 – Dec 2024

Developed web and mobile tools for internal projects using Laravel and Flutter, connecting APIs and managing MySQL databases. Led workshops and sessions on app development, backend integration, and team collaboration to enhance student technical skills.
